

DECLARATION

As the below-named inventors, we declare that:

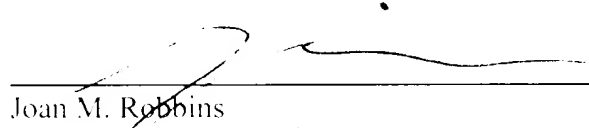

Our residences, post office addresses, and citizenships are as stated below under our names.

We believe we are the original, first, and joint inventors of the invention entitled "RIBOZYME THERAPY FOR THE TREATMENT OF PROLIFERATIVE SKIN AND EYE DISEASES," which is described and claimed in the specification and claims of Patent Application No. 09 696,791, which we filed in the United States Patent and Trademark Office on October 25, 2000 and for which a patent is sought; and this application claims the benefit of U.S. Provisional Application No. 60 161,532, filed October 26, 1999.

We have reviewed and understand the contents of the above-entitled specification, including the claims, as amended by any amendment specifically referred to herein (if any).

We acknowledge our duty to disclose information of which we are aware which is material to the patentability and examination of this application in accordance with 37 C.F.R. § 1.56(a).

We further declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

ASSIGNMENT

WHEREAS, we, Joan M. Robbins and Richard Tritz (hereinafter referred to as ASSIGNORS), having post office addresses of 10265 Pinetree Drive, San Diego, California 92131, and 9515 Genesee Avenue, No. 127, San Diego, California 92121, respectively, are the joint inventors of an invention entitled "RIBOZYME THERAPY FOR THE TREATMENT OF PROLIFERATIVE SKIN AND EYE DISEASES," as described and claimed in the specification for which an application for United States letters patent was filed on October 25, 2000, and assigned Application No. 09/696,791; this application claims the benefit of U.S. Provisional Application No. 60/161,532, filed October 26, 1999;

WHEREAS, Immusol, Incorporated (hereinafter referred to as ASSIGNEE), a corporation of the State of California having a place of business at 10790 Roselle Street, San Diego, California 92121, is desirous of acquiring the entire right, title and interest in and to the invention and in and to any letters patent that may be granted therefor in the United States and in any and all foreign countries;

NOW, THEREFORE, in exchange for good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNORS hereby sell, assign and transfer unto said ASSIGNEE the entire right, title and interest in and to said invention, said application and any and all letters patent which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, and in any and all divisions, reissues and continuations thereof, including the right to file foreign applications directly in the name of ASSIGNEE and to claim priority rights deriving from said United States application to which said foreign applications are entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patent on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNORS had this assignment, transfer and sale not been made. ASSIGNORS hereby authorize and request the Commissioner of Patents and Trademarks to issue all letters patent on said invention to ASSIGNEE. ASSIGNORS agree to execute all instruments and documents required for the making and prosecution of applications for United

States and foreign letters patent on said invention, for litigation regarding letters patent, or for the purpose of protecting title to said invention or letters patent therefor.
